

UNIVERSITY OF

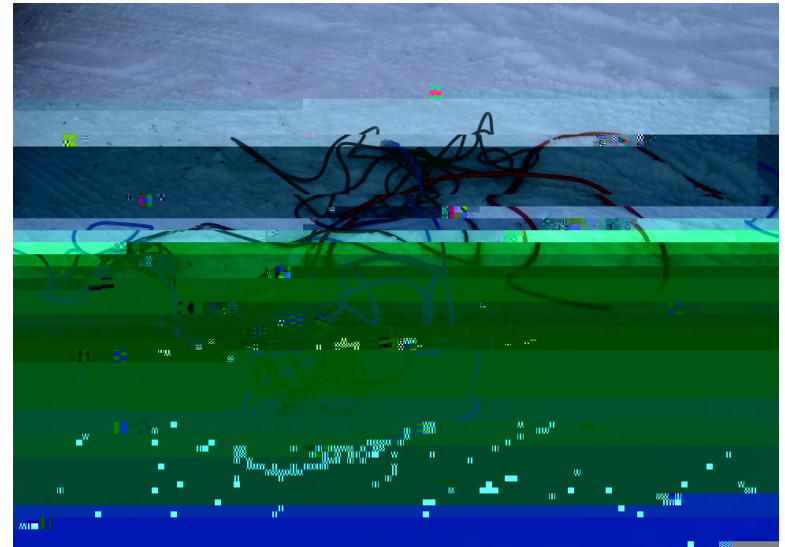

February 26, 2013

In case of evacuation we will meet at the west entrance to the Museum.

Some common electrical hazards to avoid:

Walking on cords damages the cord. The safety tags attached to cords include "Do not walk on cords".

Extension cords and power strips must be plugged directly into a wall outlet.

Introduced by Derek Miller, OMB

New and Improved

Re-launch scheduled for February 27th

Budge

PowerPoint with Instructions and Appendices are available on the
OGCA website:

[http://www.uaf.edu/grcon/educational-oppoBT/F8236.9 261.82 Tmβ3.36 2](http://www.uaf.edu/grcon/educational-oppoBT/F8236.9%20261.82%20Tm%203.36%202)

February 28th, 12pm to 2pm, VCAS Conference Room

An Interactive Query Development Session (will NOT include a
decode with nested substrings not yet anyway)

15 person limit, register with Jason at jwtheis@alaska.edu
